

★Please refer to Kakogawa City's website "Search for how to put out household waste" to check how to separate garbage.

Separating helps recycle garbage which was about to be wasted!

☆Incentive pay is provided to the groups conducting group recyclables collection (unwanted item collection). Please use group collections conducted by PTA, junior club, neighborhood association, etc. Items subject for collection are paper (newspaper, magazines, miscellaneous paper, cardboard, etc.) and textiles.

Please refer to the booklet "How to separate garbage" (Japanese only).
